# Frankenstein Summer Reading Assignment

Students should expect a writing assignment, a student-led class discussion, and a test on the novel within the first two to three weeks of school. *This assignment is due the third day of school.*

After reading the novel, respond to the following questions in **five to six complete sentences each**. Use third person only. Do not use contractions.

What does this novel relate about **individualism and conformity**? Explain using textual evidence.

---

---

---

---

---

---

---

---

---

---

Are Victor's scientific efforts to defeat **death** immoral? Explain well.

---

---

---

---

---

---

---

---

---

---

Mary Shelley develops the novel through three characters' perspectives. She uses Robert Walton, the Creation, and Victor Frankenstein to relay how one man's choices affect others. At the end of the novel, how does the audience sympathize with each of these characters, based upon how they explain and defend their actions?
