Once downloaded, the app will ask you to connect to your school. Make sure you have BASIC connection selected and enter the following:

[hsm.follettdestiny.com](http://hsm.follettdestiny.com)

Once on the school's site, your login information is:

**Username:** first initial last name (no spaces)

example: mdelacerda

**Password:** two digits for the month and day of your birth (no spaces) example: 0804

If you have questions/login issues, feel free to come by the library and I will look at it OR you can wait until this afternoon, and I will help you then.
