

Algebra 1/Algebra 2 (Mrs. Fredieu)

To be collected:

- ❖ **1 box of tissues** (More if you wish, to be used throughout the year in the classroom by students)
- ❖ **2 composition notebooks** (1 for each semester, 2nd semester will be stored in the classroom.)
- ❖ **A package of glue sticks** (More if you wish, to be used throughout the year in the classroom by students)

Composition books will be for vocabulary, class notes, and guided practice. They will be graded several times throughout the year. The glue sticks will be used in conjunction with the composition books.

To remain in the student's possession:

- ❖ **TI 84 calculator**/ they may use a smaller calculator for basic calculations if they have one, but a graphing calculator will be needed throughout the school year. (Get one while school supplies are readily available and label it with your name.) These will remain in the student's possession.
- ❖ **Pencils** are required in Math so please have many **on hand**. If anyone wishes to donate some to the classroom for those who have forgotten, it would be appreciated but not required.
- ❖ **Loose leaf paper** will be needed **on hand** for all homework assignments. No homework will be done in the composition notebook. If anyone wishes to donate some to the classroom for those who have forgotten, it would be appreciated but not required.

Keep paper and pencils **on hand** at all times.
