***EVENT DATE: October 7, 2022***

**Celebrating the classes of 1972, 1982, 1992, 2002 and 2012.**

High school is such a special and pivotal time in our lives. Years after graduation day we begin to long for those fun and carefree days. As a volunteer who is helping plan your class reunion, we hope you find this to be one of the most fun and gratifying things they do for your class!

Planning and organizing your Holy Savior Menard High School reunion is no small task, so we've created this guide to give you the tools you need to succeed. One of the most important keys to success is personal contact with your classmates! A personal call, email or text goes along way of informing your classmates of the upcoming reunion and getting updated contact information. If you don't find what you are looking for, please let us know. And please feel free to add your own ideas to your reunion planning.

This planning guide is intended as a helpful tool for class volunteers as you go through the Reunion planning process. The HSM High School Alumni Department is including what we can do to ensure you have a successful event. In this packet you will also find suggestions and ideas that you and your committee can use to begin planning for your big event. And remember, the director of alumni relations is always just a phone call or email away to help with anything and everything you may need to plan a fun and memorable event!
