Required Materials: 8th GRADE SCIENCE

Within the first week of class or before, every student will be assigned a Microsoft email. Students are encouraged to check their email on a regular basis. The email sign in will be used to access Microsoft TEAMS. Students will also be given a username and password set up for Discovery Education. We will be accessing Science TECH books from Discovery Education. This is completely online access to Science content we will be studying this year.

Students are requested to BYOD, (Bring Your Own Device) for access to online content in class. I do have two computers in my classroom that I can allow students to access, if needed.

Students **must have** the following items in class **EVERYDAY**:

- *One--Two pocket folder
- *Loose leaf paper
- *Planner (RECOMMENDED)
- *Personal mini pencil sharpener
- *Pencils with erasers, NO MECHANICAL PENCILS
- *Hand-sanitizer

OPTIONAL ITEMS

The following items are not required for the class, but are suggested to enhance the student's academic experience:

- *Highlighters
- *Sticky notes
- *Mini personal stapler and staples
- *Roll Paper Towels
- *Hand sanitizer
- *Clorox wipes

Technology Requirements for 8th GRADE SCIENCE:

To maintain contact with teachers, staff, and administration, students must have daily access to the following:

- Desktop Computer, iPad, or Laptop
- Microsoft Teams app on cell phone (downloaded)
- HP Smart app on cell phone (downloaded)
- * Highly recommended • Internet service
- School Email, Log-in, & Password (All students are given a Microsoft email)
